

Acquiring the signature right by nationals of third states, married to Romanian citizens and holding a diploma issued in Romania, OAR members, with a minimum 5-year professional experience

The spouse of a Romanian citizen, who is not a national of a EU/EEA Member State or the Swiss Confederation, and who uses his long-term residence right on the Romanian territory benefits by equal treatment as the Romanian citizens regarding the implementation of the European Union treaties, subject to the provisions of these treaties and the directives adopted for their application. As holder of a diploma issued by architectural higher education institutions of Romania, he can pursue his profession under all legal forms, without having completed his professional traineeship if he can prove having an experience in architectural design of minimum 5 years from the date of acquiring the architect title.

This information is also available on the following link:
<https://www.oar.archi/exercitarea-profesiei/cum-devii-arhitect>

The procedure can be performed by means of Single Electronic Point of Contact (PCUe). At the same time, the applicant can achieve this procedure through SIOAR, by following the link: <https://www.sioar.ro/>*

For architects who are not OAR members, see the procedure **Acquiring the signature right by nationals of third states, married to Romanian citizens and holding a diploma issued in Romania, who are not OAR members, with a minimum 5-year professional experience*

Description of procedure:

1. In order to acquire the signature right, the architect who is an OAR member (by having applied to be registered with OAR, in accordance with art. 63 of ROF), shall submit, by means of PCUe/SIOAR, an application form for the session of awarding the signature right and shall enclose the documents provided for in art. 17 related to art. 22 of the 2018 Methodological Norms on Awarding the Signature Right - <https://www.oar.archi/despre-oar/cadru-legislativ-si-normativ>. The document provided for in art. 17, letter g) – Portfolio, shall not be uploaded in PCUe/SIOAR, as the applicant shall bring it along at the interview, either printed out or in electronic format (CD, DVD, USB stick).
2. The CNADS Secretariat shall check the application file and, if complete, it shall decide on the applicant's participation in the interview with CNADS; if not, it shall inform the applicant/the OAR branch on the need to add the missing papers.
3. The applicant shall have an interview with CNADS, in accordance with art. 29 - art. 34 of the 2018 Methodological Norms on Awarding the Signature Right.

4. As a result of the successful completion of the interview, the applicant shall receive the Certificate of Awarding the Signature Right.

5. The finalization term of the procedure: maximum 3 months from the date of submission of the complete application file.

6. Means of appeal:

With reference to the interview for awarding the signature right: the applicant shall make an appeal against CNADS, in accordance with art. 40 of the 2018 Methodological Norms on Awarding the Signature Right. The applicant can also bring the action against CNADS before administrative court, in accordance with Law no. 554/2004.

With reference to the pursuit of the profession, given the provisions of art. 95 paragraph (1) of ROF, the person injured by the services provided by an OAR member architect shall file a disciplinary complaint which shall be settled by the OAR competent disciplinary commission.

The injured person can also use the internal law procedures in order to settle any conflict (OAR-architect, OAR-beneficiary, architect-client, architect-architect).

7. Tax: 300 lei - participation in the interview and issue of the Certificate of Awarding the Signature Right.

Payment methods:

- online, by means of SIOAR
- bank transfer:
