URBAN
FORUM**
ELEVENTH SESSION

KATOWICE, POLAND | 26-30 JUNE 2022

**From the Urban planning and governance to the challenges
of recovering Ukrainian cities and territories**
Tuesday, June 28, 2022 • 12:30-14:00 • Multifunction Hall Room 2
Hybrid Discussion

TEASER

The aim is to show by the Ukrainian example the challenges of emergencies, such as the wars that cities may face at the stage of forming the path to their sustainable development. And offer cooperation opportunities to find solutions for a new better urban future for post-war cities.

SUMMARY

The current context of Ukraine is the challenges after and during the urban crisis and finding the solutions for fast and sustainable recovery.

The context of urban recovery, through urban spatial planning, and the creation of a sustainable model of land management after a one-step shutdown, destruction and change of development goals.

1. Presentation by the Ukrainian delegation about the Ukrainian cities - before the war, in wartime and after the war
2. Discussion on the challenges of recovering Ukrainian cities and territories

KEY OBJECTIVES

Cooperation in forming the new vision of recovery of Ukrainian cities;
Involvement of specialists in new urban policy after the urban crisis;
