Igal Tartakovsky | Associate

Biography

Igal Tartakovsky joined MKR Architects in 2013 after graduating with honors from the School of Architecture and Urban Planning of the Technion-Israel Institute of Technology. During his studies, he won many awards, including the Elchanani Award for Outstanding Architecture in Israel. His work at MKR Architects involves many large and complex public projects, including Acre Beach Promenade, Petach Tikva's lake park, Tel Aviv's Remez Arlozorov sports center, Acre Port renewal, Museum and academy of the Hebrew language and Eilat's waterfront renovation, as well as urban design, urban planning and architectural competitions including Gev Yam Office Building, Rabin Square Refurbishment, Air Force Museum, Yoqneam Community Center, Azrieli School of Architecture in TAU and Shenshan waterfront near Shenzhen, China.

In 2020 Igal became an associate in MKR and started teaching in the Bezalel Academy of Art and Design as a tutor in the final year project.
